

HP Scanjet G3010

Photo Scanner

Enjoy high-definition scans for exceptional results

The HP Scanjet G3010 Photo Scanner allows you to easily restore your cherished photos, 35mm slides and negatives, so you can preserve them for years to come.

Exceptional photo scans

- Enjoy high definition scans that make beautiful reprints with 4800 x 9600-dpi resolution and 48-bit colour.
- Scan up to three 4x6-inch images and preview them in as low as 10 seconds. Plus, scan larger photos and portraits, and automatically save them as individual files.

Preserve and restore your treasured memories

- Easily convert up to two 35mm slides or negative frames to digital files using the built-in transparent materials adapter.
- Using HP Real Life technologies, bring old or damaged photos back to life by removing dust and scratches and restoring faded colour. Plus, automatically remove red-eye and enhance detail in dark areas of photos.

Scan, copy and share effortlessly

- Four one-touch buttons make it easy to scan photos or films, make copies and save images to pdf.
- Effortlessly organise, edit and e-mail photos with HP Photosmart software.

* Maximum resolution may be affected by PC system factors.

HP Scanjet G3010 Photo Scanner
